hübsch by jerantis – Café Bistro, Davos

We live our passion for hospitality and would love to inspire you with our concept. Everything is freshly prepared, creatively combined, and served with great care.

Whether you are stopping by for a coffee, a relaxed lunch, or a glass of wine, take a moment to unwind with us.

All of our bread is freshly baked in-house using our own sourdough starters, “Suurli” and “Hans”, following traditional baking methods.

The dishes on this menu are prepared entirely on-site using raw ingredients and standard kitchen ingredients. We are proud to carry the “Fait Maison” label.

About the “Fait Maison” Label

The “Fait Maison” label distinguishes restaurants that prepare all or most of their dishes in their own kitchens. It promotes the craftsmanship of Swiss gastronomy and responds to consumers’ desire for transparency.

It stands against the standardization of taste and supports regionality, sustainability, and seasonality.

All our dishes are prepared according to the criteria of the “Fait Maison” label. Exceptions are marked with an asterisk (*).

Food Information

If you have any questions regarding ingredients that may cause allergies or intolerances, please ask a member of our team.

Gluten & Food Intolerances

Some of our dishes are prepared with ingredients that are naturally gluten-free. As we also handle gluten-containing foods in our kitchen, we cannot guarantee that all dishes are free from cross-contamination. Please inform our staff if you have coeliac disease or a gluten intolerance.
